

## Home Health Aide (CNA, Certified Nursing Assistant)

**Location:** Yuma, AZ

**Benefits:** Health Insurance

Paid Mileage

### Employment

**Type:** Full Time

**Department:** Nursing

**Description:** We are recruiting for outstanding Home Health Aides to join Caring Touch Home Care.

At Caring Touch Home Care you can enjoy a rewarding career as a home care professional!

We have Point of Care Technology! This reduces your paper load and allows you to be more efficient and communicate with other members of your care team

Caring Touch Home Care emphasizes teamwork, nurturing and encouragement. We believe that by supporting each individual's talents, we all succeed, most especially our clients. Our special working environment explains why we attract and retain nurses who aspire to make our work and world a better place. If you are yearning for a healthcare experience where you are valued and appreciated, you owe it to yourself to experience Caring Touch Home Care.

**Duties:** As a Home Health Aide (CNA), you will perform home care visits and work under the supervision of a Registered Nurse or Therapist. This involves performing various person care services as necessary to meet the patient's needs. You will be responsible for observing, reporting, and documenting observation and patient care performed during the home care visits.

### Responsibilities:

- Providing personal care, including baths, personal hygiene, changing bed linen, dressing, undressing, and toileting activities.
- Taking and recording oral and axillary temperatures, pulse, respiration, and blood pressure when ordered.
- Assisting in ambulation according to the plan of care.
- Meeting safety needs of patients and using equipment safely and properly (foot stools, side rails, etc.)
- Reporting patient's condition and significant changes to the assigned nurse
- Adhering to the Organization's documentation and care procedures and standards of personal and professional conduct
- Following all privacy policies of Caring Touch Home Care, Infection Control protocols, and maintaining the confidentiality of protected healthcare information (PHI)
- Assisting Clinicians; such as Registered Nurses, Physical and Occupational Therapist with translating

### Qualifications:

- Previous home health experience in a Medicare Certified Home Health Agency with preferred but not mandatory....we will train the right person.
- Current CNA certification
- Current CPR, TB, Fingerprint Card (If you do not have these available, let us assist you in obtaining these)
